Our Loyal Customers could contact support to raise this limit on support@crazy.com. Withdrawal requests in excess of this sum will be declined for winnings made without the use of bonuses (promotional or otherwise).
56. If a player chooses to send us a fax copy of a transfer receipt relating to a postal order or bank transfer then the date on the document must match the date of payment in to this website's account otherwise the player will not be able to withdraw any wins.

Promotions and Bonuses

57. This website or third parties may offer you promotions, competitions and/or additional enhancements to your deposits.
58. By participating in any promotional event, you accept the terms and conditions connected to it. You can access these terms either in our correspondence with you or in the "Bonus Terms & Conditions" section of this website. We may change these terms so make sure that you keep up to date with the terms as it is the responsibility of the player to be aware of updated terms.
59. If we have a reasonable suspicion that you have committed or attempted to commit bonus abuse, either on your own or as part of a group, we reserve the right to:
 - forfeit the bonus and any winnings from that bonus
 - revoke, deny, or withdraw a bonus offer from you
 - block any access to particular products
 - exclude you from using bonuses on these products
 - exclude you from any future promotional offers
 - terminate your account with immediate effect.

60. "Bonus Abuse" includes, but is not limited to:

breach of terms and conditions of a bonus, free spins or any other promotional offer.

the opening of multiple accounts to claim multiple bonuses.

the use of bonus funds purely to progress through the bonus stages of a game.

Refunds

Any funds deposited must be utilised for the placing of bets. For withdrawals of funds that have not been fully put into play we reserve the right to charge a fee amounting to our own costs (including the cost of the deposits). This starts at a minimum fee of 5 GBP/EUR/USD/CHF 8 AUD, 7 CAD, 36 DKK, 55 NOK, 55 SEK or 100 ZAR or 3% of the deposit amount.

Betting Rules

61. The casino expects you to follow the rules of each game while playing at the casino.

62. If a player attempts to gain an unfair advantage over the casino by using gaming strategies such as 'Martingale' and it is reasonably evident, then the casino will take action including the confiscation of winnings and bonuses.

63. When a player receives a bonus, additional betting rules may be applied. These are defined in the Bonus and Promotion Terms and Conditions or are defined in the specific terms and conditions of that promotion.

Responsible Gambling

64. We provide a voluntary service which players can use to restrict or close their account and/or limit their ability to place bets. To find out more about this service, please contact support.

65. To use our self-exclusion option please call us or send an email to support@crazyno.com with details of the account you wish to exclude and the period that you wish the self-exclusion to apply. If a specific period is not given, we will exclude you for the minimum duration.

66. We will always try to implement your voluntary limiting request within as short a time as possible. If you choose to use this website before this request has been implemented then we take no responsibility for any funds that you may lose as a result.

67. You accept that exclusion and limits are set on an account-by-account basis and that if you have accounts on another casino we own, then you must set each account accordingly.

Game Cancellation

68. In special circumstances we may cancel any of our games during and/or before their

commencement.

69. In the event that a game is cancelled before the start of that game is announced on this website then any buy-in or entry fee will be returned to the player's account.

70. In the event that a game is cancelled during play, after it has started and before the outcome of the game has been determined due to technical or any other reason then the players bet will be returned to their account.

Game Results

71. Once the outcome of a game has been determined then the result cannot be changed or cancelled.

72. Winnings will be credited to the Account following confirmation of the final result.

73. For a game to be verified as won, it must be listed on our server. We do not accept screenshot or printout as proof of game results.

74. In the event that a conflict arises where the result of a game displayed on this website is different than the information held in our servers then you accept that the information held by us on our server takes precedence. You accept that any case in which this occurs will be resolved only by the checking of information held in our server. The results of checking this information are completely binding.

Customer Support and Complaints

75. If players have an issue which requires our attention, they can contact us through either the contact us page in the help centre or by contacting the live chat support. We take complaints seriously and will do our best to resolve all complaints as quickly as possible. We do strive to offer players the most accurate information possible however, where conflicting information is given by our operators which contradicts this agreement then this agreement will take precedence. Hence, any issue will ultimately be resolved using the information in this agreement.

76. Complaints with regard to the operation of games should be relayed to us before a player plays the game.

77. You, the player and/or client accept that a complaint made more than 21 days after the transaction that it describes will not be taken in to consideration and will not be given value.

78. Any claims or disputes referencing specific games will only be considered if the game is directly registered in the database files or records of the company.

79. We are not in any way responsible for any investigation involving a complaint from one player against another for any reason.

80. We will always aim to act against any person we suspect of illicit or abusive behaviour or any other actions that we feel wants to violate the spirit of this agreement.

81. The Client may further address their complaints via E-mail to info@gaming-curaçao.com.

Errors

In the event that funds are added to a player's account in error it is the responsibility of the player to notify us. Any subsequent winnings will be returned to us immediately in the event that such winnings are as a direct result of the error.

Financial Information and/or Documents

We guarantee the security of financial information and documents that are related directly between the client, us and relevant tax authorities.

Software, End-User License

82. When you play on this website you are granted a personal non-exclusive, non-transferable license to use the software on this website according to the agreement as defined in these terms and conditions.
83. The player will not do anything or commit any act which may damage the reputation of this website. The player accepts that the use of this website and software is at their discretion and risk.
84. You accept that we will take proportionate measures to detect if you are using software programs which give you an unfair advantage over the casino or other players. This includes the use of artificial intelligence software. You accept that we may scan the list of running programs on your computer to establish that you are or are not using such software.
85. Any player who is suspected of using artificial intelligence software as mentioned in the previous clause will be acted upon correctly. In this situation we may cancel and/or block the account of any person suspected of such activities.

True Random Number Generator

You accept that every game and the result and/or outcome of every game is decided by the True Random Number Generator ("TRNG"). The Client accepts and agrees that the true random number generator ("TRNG") determines the outcome of every Game.

Software Interruption

When a case of software interruption occurs, for whatever reason. We may request you to provide a screenshot in order to prove the disruption where we cannot detect it on our server.

Website Interruption

When it is necessary, we may, at any time, interrupt the operation of this website for any reason we deem appropriate. This includes failure of the website due to viruses or any other malfunction.
